

Project Title:	Macademia Tree Nut Plantation
Project Description:	<p>The business proposal considers the investment of SZL24 million over a period 2018 – 2020 to establish a macademia tree nut plantation covering an area of 68 hectares. This plantation is located in the Malkerns area and will be managed and operated by Dalcrue management under the auspices of to be newly incorporated wholly owned subsidiary, Dalcrue Macademia (Pty) Ltd.</p> <p>This project dovetails well with the strategic objective of the company to maximize the land under its custody to optimum level. The land is currently being used to grow cash crops under rain fed conditions. The past results have been erratic with yields inconsistent due to combined factors including but not limited to drought and theft.</p>
